The Riksbank does not redeem invalid coins

### The banks accept the older 100 and 500-krona coins until 30 June 2018

The 100 and 500-krona banknotes that became invalid earlier this year can be deposited into your bank account up to and including 30 June 2018. After 30 June

2018, the Riksbank can redeem the invalid banknotes for an administration fee of SEK 100. The banks and the Riksbank apply the provisions of the money laundering act, which means that you may be asked questions as to where the money comes from. You may also have to present copies of receipts, agreements or invoices.

Further information on the banknote and coin changeover can be found on the Riksbank's website, [www.riksbank.se](http://www.riksbank.se), under the heading Notes & coins.
